

Goodbye, my lover, goodbye

The ship goes sailing down the bay

Goodbye my lover goodbye

We may not meet for many a day

Goodbye my lover goodbye

My heart will ever more be true

Goodbye my lover goodbye

Though now we sadly say adieu

Goodbye my lover goodbye

Refrein

Bye bye my baby, Bye bye my baby

Bye bye my baby, goodbye my lover goodbye

I'll miss you on the stormy deep

Goodbye my lover goodbye

What can I do but ever weep

Goodbye my lover goodbye

My heart is broken with regret

Goodbye my lover goodbye

But never dream that I'll forget

Goodbye my lover goodbye

Refrein x 1

Then cheer up till we meet again
Goodbye my lover goodbye
I'll try to bear my weary pain
Goodbye my lover goodbye
Though far I roam across the sea
Goodbye my lover goodbye
My every thought of you shall be
Goodbye my lover goodbye

Refrein x 1
